June 13: Program **TBA**

Greeter: Bill Francis

June 20: Bev Larson, Old Mill
School

Greeter: John Jenks

June 27 Karen Long, returning
RYE Exchange Student

Greeter: Don Studier

"The Four-Way Test is more than is it the truth. It includes: of all the things we think, say or do; is it fair; is it beneficial and does it build goodwill. The truth alone does not always need to be spoken as it may not build goodwill or be fair or even beneficial. When applied in its entirety The Four-Way Test asks nothing less than the highest of ethical standards in our personal, professional and Rotary lives."

DG, Hal Kibby

New Look & Editor for Espresso

By Karen Brockett

Whoa, "What's with our club bulletin?" Some of you may be asking this question. Some of you may not be awake enough to have noticed.

In the past whenever the Espresso has sported a new look it also meant a new editor. This proves to be the case this time too. Usually our members do not have to endure change until the beginning of a new Rotary Year, which is July. Our Espresso editor extraordinaire, Suzie Downing, has not only been the editor of the Espresso but also was editor of the District Roster and is editing the roster for the local area Rotary Clubs. She's done all this while fulfilling her responsibilities as our club's President-Elect! Remember she also holds down a full time job too. These activities have made for an extremely busy schedule so I have stepped in as editor a little earlier than normal.

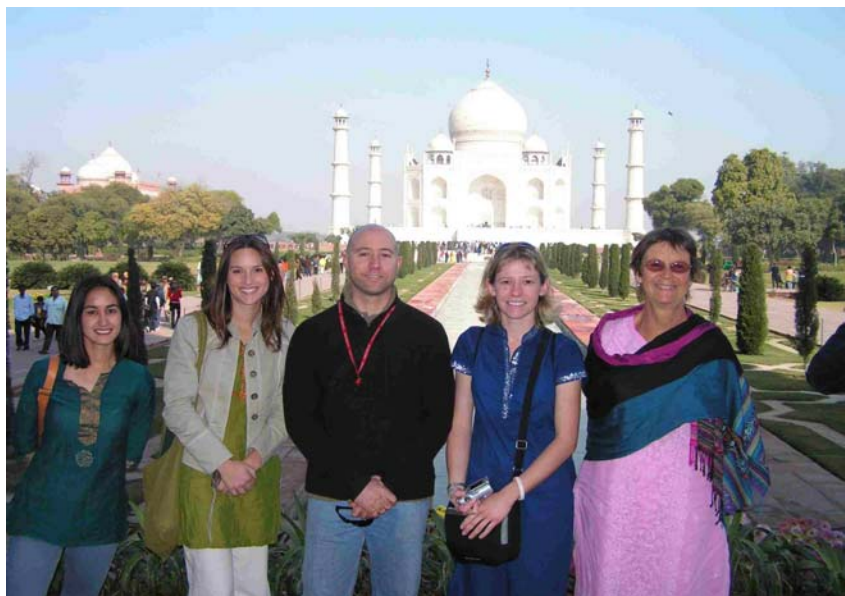

I look forward to serving our club as editor of the Espresso and would like to have you join me in giving Suzie a round of Kudos for a job well done.

Rotary Regards,

Karen B.

District 5110 GSE Member Presents Program

Last week Kim Herzberg, who was on our District GSE Team to India, gave a presentation about the team's trip and her experiences in India. Kim has since joined the Lebanon Rotary Club. Below is the team at the Taj Mahal (Kim is second to the right).

District Information

Did You Know?

From District 5110 Web site 2007

There are 4,300 Rotarians in our district within 68 clubs.

Our district encompasses the southern two-thirds of the state of Oregon and the very northern part of the state of California. Geographically the district is a diverse landscape, from the rocky shores of the Pacific Ocean to the snow-covered 10,000 foot mountain peaks to dramatic deserts.

RI News Brief

Rotarians help beat back polio outbreak in India

By Vukoni Lupa-Lasaga
 Rotary International News

Confident that India would soon eradicate polio, Past District 6900 Governor Robert Hall led several U.S. Rotarians to Subnational Immunization Days in Uttar Pradesh in November. The poverty stricken state in northern India was the epicenter of a 2006 polio outbreak.

Hall's optimism on polio is shared by India's health minister, Anbumani Ramadoss. The minister told journalists at a mid-December press conference that despite the outbreak, he is confident that India will end polio with stepped-up immunizations.

"In three years, we will do away with polio," he said. "We are at the end of the problem and will hit the final nail in the coffin."

Julie Gerberding, head of the U.S. Centers for Disease Control and Prevention, said at the same event that the outbreak "is a warning that we can't be complacent." She also noted that the last few cases of polio are often the most difficult to deal with.

Places To Do Make-Ups

Tuesday: Philomath Rotary Club @ United Methodist Church, 11:45am.
 After Five Rotary Club @ Iovino's Restaurant, 5:15pm

Thursday: Corvallis Rotary Club @ Corvallis Country Club, 11:45am
