Rotarians Continue to Make A Difference

With Katrina's second anniversary approaching, Rotarians continue to donate time and money to aid Biloxi, Mississippi, USA, one of the cities hit hard by the storm. They are only 2 years into a 10-year plan to rebuild, but funds and volunteers are dwindling.

President's Corner – District Governor to visit out club.

I encourage everyone to please make every effort to attend next Wednesday's meeting when District Governor Tim Bewley and District Secretary Carol Fellows have their 'official visit' to our club. This will be an interesting and informative meeting, and what better way to honor them than having 100% participation of our club members?

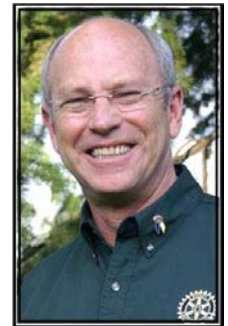

As you know from Hal and Francie's travels last year, the District Governor and his or her spouse put much time and effort into these club visits. DG Tim will be inducting our newest member and making several presentations, as well as inspiring and exciting us about Rotary; it will be a great meeting!

Rotary Shares! Let's exemplify that statement by sharing a little of our time with Tim and Carol and welcoming our newest member to the club.

Yours in Rotary,

Suzie

District Governor
Tim Bewley along with
District Secretary (and DG
Tims's spouse) Carol
Fellows, will be at our next
meeting on August 29th.

Should Rotarians play the role of peacemaker in Africa, the Balkans, and the Middle East? And, if so, how?

Over the next two months, three Rotary Presidential Peace Forums will be held in Sofia, Bulgaria, Istanbul, Turkey, and Nairobi, Kenya to examine how Rotary International contributes to peace, and opportunities for individuals and clubs to get involved.

Extreme Make-Over Home Edition

Nick Sukkau (pictured above) and Harriet Nixon (photo below) both from Legend Homes talked about their experience working with the TV show "Extreme Makeover Home Edition". Legend Homes, along with hundreds of volunteers from throughout the community, built the home for a family in Lewisburg who were chosen to have their home "made over" for the show. The house was built in the unheard of time of one week! Both Nick and Harriet agreed that there is very little real about reality TV. Many of the surprise scenes that viewers will see when the TV show airs were staged and often re-shot numerous times.

Morning Tidbits

Among our guests last week were: John Muir (in background, red shirt) and former Sheriff Jim Swinyard (green shirt chatting with member Roger Kroening). We had a full house for the presentation by the Legend Homes representatives
