hi:
my family and I are doing fine, thankfully my grandparents and my brother that were at the time in lima, are now with us again, they are fine too, nothing happened to them. I am finally on a break now after five months of classes, i am still studying medicine, and now i am trying to enjoy my vacations, i got sick with a cold, that has been bugging me the past week that has stopped me from doing things i wanted to do. other than that i am great, i am getting ride of this cold. everyone in my family its ok too. we are just worried for our fellows peruvians that lived in the area close to the earthquake, we pray for that the help its getting to everyone.
i am sorry if you dont understand everything i am trying to write, my english its a little rusty. take care, hector

President's Corner – Welcome DG Tim Bewley

District Governor Tim Bewley encouraged each of us to “Share Our Story” at his official club visit last week.

(Thank you, Janice, for sharing.) He also encouraged each one of us to individually get involved in the club.

Right away our newest member by about 10 minutes, Jan Lowther, stepped up to the plate and offered to be the keeper and organizer of the club's new scrapbook that Tim and Carol presented us with!

I would like to encourage each of us to share our Rotary story wherever we go. Rotary does so much and it is like some great big secret. “Rotary does that? I didn't know that.” Ever heard that before?

Let's be faithful in sharing the wonderful things that Rotary has done in each of our lives. The biggest “wonderful thing” that Rotary has done in my life is that it has brought me 25 good friends; friends I would have never met if it hadn't been the club that brought us together.

So go out and share your story, letting those around you know what Rotary has done for you.

YIR,
Suzie

District Governor Inspires – “Share your passion.”

DG Tim talked about the importance of every Rotarian realizing their passion within Rotary. He believes by finding your passion and then following it to touch the lives of others, you will not only maintain your enthusiasm for Rotary and for being a Rotarian, but will also keep hope alive for others.

He would like to see more members in the district become “active” Rotarians and to demonstrate the “Rotary Shares” theme. To do this we need to be “Sharing our own Stories – in our clubs, in our district, and by continuing our tradition of service throughout the world.”

Top photo: DG Tim shares his passion, LN-4 Prosthetic Hand Project: A joint project of Districts 5110 & 5160.

It provides functional prosthetic hands at no cost to recipients.
