Our club's gift basket to DG Tim raises funds!

(e-mail and photo sent to Suzie by district Secretary Carol Fellows)

"Your club's basket was auctioned off at the RC of Sisters for \$110 and was matched with FRP's.

We hope the chocolate didn't melt and reform too much in the interim. At least we didn't eat it!

Carol"

Highest bidder, Wally Rietz of Sisters with DG Tim Bewley takes possession of his purchase.

President's Corner – Websites keep us up to date.

Have you checked out our club website lately? (www.corvallismorningrotary.org) Thanks to Janice it is full of information, pictures, the bulletin, and updated club member information. Log in weekly...it is always changing!

Speaking of websites, we also have an incredible district website. There is so much pertinent information for each of us, as well as pictures of DG Tim's visits around the district (there are pictures of his visit to our club...take a look). The Internet has truly opened up the opportunity for everyone to stay updated and informed. You will find it at <http://www.district5110.org/>

Finally, thanks to Nathalia for her great presentation last week and for 'sharing her story.' She wasn't feeling well but she made the effort anyway, and in doing so demonstrated service before self to each of us. It was so fun to meet and greet all three of her host families who were there in support of her too. Isn't it awesome all of the connections we make because we are members of Rotary?

Have a great week!
Suzie

Nathalia Shares her story

Nathalia, *(sitting in front of screen in green sweater)* prepares to give her PowerPoint presentation to the members at last week's meeting. Robert *(standing)* does the introductions. Special guests at the meeting were members of her host families. *(photo courtesy of Janice Muir)*

The following is part of an e-mail courtesy of Glenn Chaffin. Pernilla Sviberg was our club's RYE student in 1999-2000.

Midsummers day was in June. I spent it with my family and cousins on Åland, my home island. I also had the chance to go windsurfing next to our summer house.

I am not ready with my MD, I am doing my last clerkship right now at the clinic of traumatology in Helsinki. But I should get my MD before Christmas, I hope. I still have a few language exams to pass. Last summer was the first time I worked as a physician. And yes, I did a few 24 hour shifts.

Right now I am writing to you from work, so I don't have any pictures but some from my friends wedding home page... The blond guy in the picture is my boyfriend Janne Eriksson :) We have been dating for almost 3 months now.

What else is new... I was on another exchange recently. I did an internship at the clinic of traumatology in Zagreb in Croatia in July. It was lovely to visit the coast of Croatia. The water is so clear and it was nice and warm. Sometimes too hot for being in the city...

Say hi to all of my friends in The Club!
 Hugs,
 Pernilla

Next week we'll hear from Albin our RYE from last year.

Attention Philatelist,

Please contact Francie Kibby. You will know if you are one. The rest of us will be wondering!
