Club Assembly Notes:

President **Suzie Downing** held her first club assembly for the year.

Hal Kibby proposed joining the other Corvallis Rotary Clubs in a **Literacy** Project. It would be a one day event where every 1st grader in the Corvallis school district would be given a book. Selected Community members would read to groups of children on the day of the event. Members voted to participate in the project.

Janice Muir made a report and proposal for the club to take on a new **Community Service** project: clean-up and maintenance of the Oakridge Pioneer Cemetery. Members approved. This project to be developed at a later date. She also talked about the possibility of having a sister club in another country

Larry Earhart is looking for individuals willing to serve on the club **membership** committee.

President's Corner – Vocational Service

The following is part one of a two part President's Message. The message in its entirety will be posted next week on the club's website.

On the Rotary calendar, October is Vocational Services Month. So just what is that? The RI website has this to say:

When professionals join a Rotary club, they do so as a representative of their particular business or profession. This gives Rotarians the dual responsibility of representing their vocation within the club and of exemplifying the ideals of Rotary within the workplace.

Vocational service focuses on:

- Adherence to, and promotion of, the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just your own or those that are pursued by Rotarians.
- The contribution of your vocational talents to the problems and needs of society.
- The values expressed in The 4-Way Test and the Declaration for Rotarians in Business and Professions, which promote high ethical standards in the workplace, a central theme of Rotary throughout its history..

Next week we will have two of our long-time members speak about their vocation and themselves, as well as our two newest members. You won't want to miss this meeting; come give them your support!

YIR, Suzie

Club Assembly has 95% Attendance!

Members begin to hunker down to breakfast prior to the start of the first Club Assembly of the Rotary year. Club assemblies are where you, the members help steer the direction the club will be taking and to get up to date information on the state of our club.
