### Rotary Fellowships- part 1

*(The following information was  
obtained from the Rotary Fellowship  
web site at [www.rotaryfellowships.org](http://www.rotaryfellowships.org))*

There are over 70 different Rotary Fellowships. Each Rotary Fellowship focuses on a specific vocational or recreational discipline. Rotary Fellowships give Rotarians the opportunity to network with other Rotarians with whom they share interests. Fellowship is the foundation on which Rotary was built, and it is the source of Rotary's strength. Learn more about Rotary Fellowships and how they benefit you, your club and Rotary's global mission.

Below is a sneak preview of a few of them; more on the way next week.

### President's Corner – Vocational Service II

*The following is part two, a continuation of the  
President's Message started last week.*

We have all read the 4-WayTest, but how many of us have read the Declaration for Rotarians in Business and Professions? As a Rotarian engaged in a business or profession, I am expected to:

- Consider my vocation to be another opportunity to serve;
- Be faithful to the letter and to the spirit of the ethical codes of my vocation, to the laws of my country, and to the moral standards of my community;
- Do all in my power to dignify my vocation and to promote the highest ethical standards in my chosen vocation;
- Be fair to my employer, employees, associates, competitors, customers, the public, and all those with whom I have a business or professional relationship;
- Recognize the honor and respect due to all occupations which are useful to society;
- Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others, and to improve the quality of life in my community;
- Adhere to honesty in my advertising and in all representations to the public concerning my business or profession;
- Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

This week we will have two of our long-time members speak about their vocation and themselves, as well as our two newest members. You won't want to miss this meeting; come give them your support!

YIR, Suzie
