### Rotary Fellowships- part 2

Rotary Fellowship is part of what RI refers to as *Global Networking Groups*. (information from RI website)

Global Networking Groups allow individual Rotarians from several countries to join together to focus on common interests. Through these groups, you can

- Share fellowship and friendship with thousands of Rotarians
- Meet other Rotarians with a similar hobby or vocational background
- Collaborate with Rotarians from around the world who are dedicated to a particular area of service

Below is a continued list of some of the 70 Rotary Fellowships.

### President's Corner – RYE Participation

Hasn't this been a great autumn? And how 'bout those Beavers against Cal...wow!

As we are beginning to get to know Nathalia and enjoy her as a member of our club, the last thing any of us are probably thinking about is if we will be hosting another student next year! I mean, hey, she just got here, right?? Well, yes and no.

I have just received the "Participation / Non-participation" form that needs to be completed and returned before November 30. This form gives us four options:

1. Option A – Sponsoring and Hosting (we will be doing both)
2. Option B – Sponsoring only
3. Option C – Hosting only
4. Option D – Non-participation

Please give it some thought as to which option you, as part of the Corvallis Morning Rotary Club, would like me to fill out. I will ask for a show of hands as to which option we will choose.

We have had some awesome students the past several years, and Nathalia is no exception. I would miss not having a student but if we do host one, we need a lot of participation. Big decision! Please come prepared to voice your opinion and participation level.

Yours in Rotary,  
Suzie

### October/Vocational Service

- Adherence to, and promotion of, the highest ethical standards in all occupations, including fair treatment of employers, employees, associates, competitors, and the public.
- The recognition of the worthiness of all useful occupations, not just your own or those that are pursued by Rotarians.
- The contribution of your vocational talents to solving the problems of society and meeting the needs of the community.

During October, Rotarians are encouraged to focus on this essential element of Rotary.

OCTOBER 20, 2007

**RICK KING, Past RI President**  
Keynote Speaker

**Umpqua Community College, Roseburg 8am to 3pm**

**One more thing:**

We would like to find out how many Rotarians would take advantage of **child care** during the upcoming Rotary Foundation Seminar and World Community Service meetings. It's important to involve our families where ever possible in our Rotary activities and let them feel that Rotary is not taking their Mom or Dad away, especially on a weekend day.

For those with younger children who would like to have child care available, we have tentatively reserved a classroom at Umpqua college for this purpose. District budgets are limited and we would **like to know by October 10th** at the latest if this room will be needed. There will be a **nominal charge** so we can hire a licensed child care provider. Please contact Clair no later than October 10th if you need childcare.

*(Editor's note: Even though the deadline is past for childcare arrangements, give Claire a call to see if there is childcare in place. Take advantage of this opportunity to be able to attend a meeting and still have your young ones nearby.)*
