President's Corner- Schedule Changes

The whirlwind holiday season is beginning, and with that we have some out-of-the-ordinary schedule changes to keep track of! November 7 & 14 are regular meeting times, but the next three weeks have some big changes.

November 21 we will not have a meeting (by a vote of the membership) since it is the day before Thanksgiving. On November 28 we will be meeting in the evening beginning at 6:30 at O'Brien Dental Lab. This will be a regular meeting but it will be geared toward potential new members, letting them know what Rotary is, what they could expect to get out of it, and what they can offer Rotary. Please attend so they can see how much fun we have and how nice we are!

December 5 we will not be meeting because we will have our annual Christmas party at the Hanson Family Inn. Janice will have the details for us soon, but you won't want to miss this annual affair.

So mark your calendar now and be ready to have some holiday fun!

YIR, Suzie

TRF – Matching Points for Donations

We will have our own [Rotary Foundation Day](#) at our club's meeting on [November 14th](#). As was announced at last week's meeting, anyone bringing a check made out to The Rotary Foundation and given to Treasurer Bonnie on that day will get an additional 2 points for every dollar that they give. These points are to be awarded from club points that have been accumulating over time, and can go toward your Paul Harris Fellow awards. Any money given to The Rotary Foundation after that date will be awarded 1 additional point for every dollar given until the club points run out!! First come, first served. Don't miss out!!

Morning Club Tidbits

New member **Jan Lowther**, announced that she and her niece, Sarah McCreight, will be going to El Salvador from March 8-16, 2008 with *Stove Team International* sponsored by the Eugene Southtowne Rotary Club. They will be installing stoves in the homes of the indigenous people there because of the high risk of burns among the people, mostly children, and because of the

many eye & respiratory infections caused by cooking smoke. For more information on this project you can go to the website at: www.stoveteam.org.

October birthday girl **Joni Quarnstrom**, decked out in a Halloween headdress, brought a gift basket of nuts from the *Olive Pit* in California. It was put up for auction and **Karen Brockett** took home the basket with a winning bid of \$40.00.
